## "MY WIFE'S LIFE."

## How I was the means of saving it.

Soap-heredity.

Women who use soap don't do so because they know it's the best. Probably they haven't given the result to the soap habit—their mothers and ornamothers did, before them.

Women who use Pearline do so, before them.

Women who use Pearline do so, and pearline, and have found Pearline to be better—more effective, saving time and rubbing; just as harmless, and more economical.

Millions Pearline
